Telephone/Email address

Dear friends of Dance,

The non-profit friends association "Förderverein Palucca e.V." was founded in 1995. Since that time, it has supported pupils and students at Palucca University of Dance Dresden, purposefully helping them during their studies and supporting individual student projects in the spirit of Gret Palucca.

You, too, can become a member of Palucca e.V. and add your support to our association's work through either a one-time or permanent donation or become a pointe shoes sponsor. By doing so you are directly helping young students with their training.

As a member of our association, you have the chance to experience our young talents' typical day of training and their range of subjects while sitting in on lectures at the University or attending public performances.

Become a member of our Palucca family!

We are looking forward to hearing from you!

Sincerely,

Christina Flume, Chairperson Palucca e.V.

Palucca e.V. Support

Pointe Shoe Sponsorship

Each student requires many pairs of pointe shoes per semester. A pair of pointe shoes costs about € 75.00. It is possible to dance through three to four pairs of pointe shoes in one month. This is a huge financial burden for the students.

That is why Palucca e.V. is constantly looking for new pointe shoe sponsors. With a donation of € 75.00 (please use the heading "Pointe Shoes") you can assume the costs for a pair of pointe shoes and, in return for your donation, you will receive a "Pointe Shoe Sponsor" button. We are also happy to send you a receipt for your contribution if you give us your name and address

Donations

In addition to the pointe shoe sponsorship, you are more than welcome to contribute to the Palucca e.V. with a one-time or permanent donation. Your donation enables the association to support individual student projects and provide financial aid.

Your financial support directly benefits pupils and students attending the Palucca University of Dance Dresden.
